TIP 02

As a business mentor.

SCORE runs on volunteers! Business professionals (some retired, some not) share their work and business experience with small business owners. The training and co-mentoring process provides everything new volunteers need to help others.

TIP 03

As a volunteer subject matter expert.

Are you an expert at small business accounting, marketing or leadership transition? Subject matter experts are available to provide seminars or advice for other SCORE mentors and mentees.

TIP 04

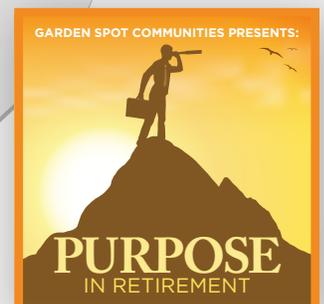

As a subject matter instructor.

SCORE provides webinars and in-person workshops for small business owners. If you have experience and enjoy teaching, SCORE is also looking for people who can offer webinars and workshops.

TIP 05

Participate in a webinar or workshop.

SCORE Lancaster offers access to live webinars as well as pre-recorded sessions that are designed to help small business thrive. Some of the events are hosted locally, while others offer nationally-recognized guests.

If you find these tips helpful feel free to share them with friends, on social media, in presentations and shout them from the roof tops.

We can change the world if we pursue *Purpose in Retirement*.
