

5 REASONS to Learn from Each Other

In the podcast, Haley Bishop and Scott Miller share their experience with the Wisdom Course and the ways their interactions with each other impacted their lives and the way they view the world.

TIP 01

We Are Alike

Haley recognized that regardless of our ages, we all have the same hopes and dreams, fears and concerns. When we recognize our similarities we connect.

TIP 02

We all Play a Part

Each individual brings their experience to a relationship; when we share those experiences with transparency and share the wisdom we've learned we impact the people around us.

TIP 03

We all Struggle

Sometimes it's easy to believe that we are the only one struggling. By sharing his life experiences with Haley, Scott showed her that we all struggle, even if the struggle is different.

TIP 04

There Is NO Divide

So many times our culture and media will tell us there is a great divide between generations. Haley and Scott's experience proves that narrative to be wrong.

TIP 05

Together, We Are Stronger

When we connect with each other and share our experiences, perspectives and talents we build our community in new and exciting ways.

If you find these tips helpful feel free to share them with friends, on social media, in presentations and shout them from the roof tops.

We can change the world if we pursue *Purpose in Retirement*.
